The Paws for a Cause walk for breast cancer April 28, featured a mile long walking path for the dogs, obedience demonstrations, a bomb sniffing dog demo, Zoom 'N Groom dog grooming, several items to purchase and much more. The event raised \$945, which will help fund breast exams, breast cancer treatment and research. Right, Patti Hensick of Bennett walks the mile long track with her adopted greyhound; of course, they made it around the track first. Patti said that greyhounds always come in first. Above, Zoom 'N Groom owner Shannon Scott gets pampered pups ready for their close up. She happily lathers up this pooch, who seems to like the attention.
